

ERASMUS+ Programme BIP – Blended Intensive Programme

STRATEGIES AND PROJECTS FOR PALMANOVA

Enhancing the Historical, Architectural and Urban Heritage

Scientific supervisor: **Alberto Cervesato** (UniUD)

From **22 to 29 June 2024**, Palazzo Garzolini di Toppo Wassermann, Udine

- + **Fachhochschule Potsdam University of Applied Sciences** (FH;P – Germany)
- + **Luleå Tekniska Universitet** (LTU – Sweden)
- + **Université Libre de Bruxelles** (ULB – Belgium)
- + **University of Udine** (UniUD – Italy)

Participating professors: Alberto Cervesato (UniUD), Oscar Gamez Bohorquez (LTU), Ludger Brands (FH;P), Giacomo Calandra di Roccolino (FH;P), Gregorio Carboni Maestri (ULB), Giulia Fini (UniUD), Giovanni La Varra (UniUD), Andrea Luciani (LTU), Silvia Malcovati (FH;P), Vivien Nowak (FH;P), Alberto Sdegno (UniUD), Bertrand Terlinden (ULB), Luca Zecchin (UniUD).

This workshop aims to investigate issues related to the architectural design. The involvement of other European Schools of Architecture will make possible to share teaching methodologies that are different in each university, creating a unique opportunity to grow for all the students involved. The expected educational outcome will be the presentation of a series of projects for the regeneration, reuse and re-functionalisation of parts of the city of Palmanova, with the aim of enhancing its historical, architectural and urban heritage.
